WORK EXPERIENCE

Web Developer
F3 E-commerce LLP

April, 2021 - September, 2022

Crafting tailored websites, I prioritize seamless responsiveness and visibility through SEO. I adeptly manage dynamic content, adapting to shifts and preferences. Collaborating closely, I deliver solutions that exceed expectations.

Web Developer
Snippetz Creation

November, 2022 - December, 2023

I recreated websites by mimicking design elements from existing sites and then replacing them with original content, ensuring alignment with client preferences. Through collaboration, I consistently delivered customized websites that exceeded expectations.

Web Developer
HP Infotech

December, 2023 - Current

I specialize in translating Figma designs into functional website sections.
